## Tastes good and IS good!

Many real nourishing foods are not tasty or appetizing. SHREDDED WHEAT (when toasted and properly served) tastes good and is good. The crisp oven baked shreds of whole wheat have an appetizing flavor and they encourage thorough chewing - that means sound teeth and healthy gums. Everybody knows that the whole wheat is the most perfect food given to man-and the shredding and baking process is the most perfect process ever discovered for making the whole wheat berry palatable and digestible. "Breakfast cereals" come and go but SHREDDED WHEAT goes on forever. Eat it for health and strength. Eat it toasted with butter, or as a hot porridge, or simply pour hot milk over the biscuit.

With a desperous skill
That would raise my hair;
Or maybe I'd fall in a heap

If I were only a boy again,

Your husband is thinking of a radio for Christmas...
the most entertaining present he could choose. But before he makes the actual purchase, suggest to him that he listen (in your home) to other radio sets in comparison with a FADA... It's a daring suggestion... but we know the result is you'll choose FADA... because the comparison test will prove its starling superiority to you as it has already done to thousands of Fada owners all over the world.

If y are the streets so merry:
Why are the lights so bright?
The laughing throug that flows all less than thows all less than the same and less than the same and less than the same all the age down.
Though all the ages down.
To find in deep and soundless aleep A place of meronem.
"And do they draw their tide of joy From that far-faltant lown?"

"Why are the children dancing:
"Why do their bright eyes shine:
What power has shed around each head
A light that is divine?"

Poems Old And New

By CAROLYN WELLS

I'm jest about as happy as I ever wanta be! My children gathered round me an' my neighbors settin by, I couldn't bu no happler an'. I don't wanta try. I like the parson's sermon an' I like the ringin' chimes; I like the dressed-up feelin' that's around at Christmas

But best of all the doin's is the time, it seems to me, When the turkey's on the table an' the candles on the tree!

There's a lot o' solid comfort gettin' ready for the day, Interes a lot o sone comfort gettin reasy for the usy,
Amakin' wreaths of evergreen an' holly-berry spray;
An' Mother she gets busy a-bakin' things to eat
An' makin' any kind o' food that's savory an' sweet;
An' we tie up little presents an' make up little jokes—
You know—with verses bringin' in the name of all the folks:

But it's all a-workin' upward to that very height of glee When the turkey's on the table an' the candles on the tree!

You see, the Christmas ritual is "Peace on Earth," an' then It also has another clause about "Good Will to Men": The latter, as I take it, bein' doin' all you can To give a bit o' Christmas cheer to any fellow man So I start in Christmas mornin' with the raisin' of the sun So I start in Caristians mornin while the failing of the sun An' I stick at it dill I get my good-will chores all done; An' then I want my "Peace on Earth," an' that is when Isee The turkey on the table an' the candies on the tree!
